# 1. Introduction

This Notice to Mariners is to raise awareness that the Construction Buoyage within the Moray Offshore Windfarm (West) Limited (Moray West) site will be removed in late April or early May 2025.

The Moray West site is located on the Smith Bank in the Outer Moray Firth, approximately 22.5km from the Caithness coastline. The offshore wind farm site covers an area of approximately 225km<sup>2</sup>. The offshore wind farm site is given in Figure 1.

The site is now under operational control, and Moray West is looking to remove construction lighting and buoyage from the area (Figure 2). All operational lighting has been installed and functional as per the Moray West Lighting and Marking Plan (Figure 3) and has been approved by NLB following a site inspection.
