1. Introduction

This Notice to Mariners is to raise awareness that Special Mark MW3 within the Moray Offshore Windfarm (West) Limited (Moray West) site is currently unlit.

The Moray West site is located on the Smith Bank in the Outer Moray Firth, approximately 22.5km from the Caithness coastline. The offshore wind farm site covers an area of approximately 225km². The offshore wind farm site is given in Figure 1.

The site is now under operational control, with all operational lighting installed and functional as per the Moray West Lighting and Marking Plan. Moray West will soon be looking to remove the construction lighting and buoyage from the area.

As the operational lighting is now in place, it is considered that Special Mark MW3 being unlit will not pose a risk to any vessels, and this notification is for awareness only. Special Mark MW3 is located at 58° 00' 50" N, 003° 07' 10" W and is shown on Figure 2 (red circle).
