Could you unlock tax-free money from your home?

Equity release could allow you to access your property wealth

- ✓ Tax-free cash lump sum
- ✓ Maintain home ownership*
- ✓ No monthly repayments required

Homeowners aged 55 plus could benefit from releasing money locked up in their homes. Multi-award-winning equity release specialists Age Partnership can help homeowners decide if equity release is right for them, how much they can release and what impact it could have on the size of their estate including their entitlement to means-tested benefits now, or in the future. Any money released, plus accrued interest would be repaid upon death, or moving into long-term care.

Equity Release may involve a home reversion plan or a lifetime mortgage which is secured against your property. To understand the features and risks, ask for your personalised illustration.

We provide initial advice for free and without obligation. Only if you choose to proceed and your case completes would a fee of 1.95% of the amount released be payable (minimum £1,495).
